INTRODUCTION

Since year 2000, 2 shot-firer certificates were issued by PDRM (Sijil Juruletup) and JMG (Sijil Pembedil). On 28 December 2016 both PDRM and JMG agreed to merge both the certificates now called Lesen Pembedil. All shot-firers with Sijil Juruletup and Sijil Pembedil were given till 31 March 2017 to apply for change of certificate. The deadline was later extended to 30 June 2017. The new Lesen Pembedil is valid for 1 year. From the date of issuing it is compulsory that all shot-firers undergo a refresher course before the next renewal.

After consultation with the industry and various parties, PDRM and JMG had finalised the syllabus of the Refresher Course which consist of a minimum of 8 hours of lectures and class size is limited to 25 participants. There will be no examination. The course will be held for 1 1/2 days and will provide comprehensive information on the subjects.

TRAINING METHODOLOGY

Combinations of lectures, presentations and discussions by experienced lecturers. Notes will be in English.
